Why Tokyo Tech

Tokyo Tech is the top national university for science and technology in Japan with a history spanning more than 130 years. You will get to work with leading researchers in cutting-edge research facilities and be able to learn about state-of-the-art Japanese technologies through our summer program.

Around Tokyo Tech

The main campus of Tokyo Tech in Ookayama, southwest Tokyo, is convenient to shopping and entertainment districts and to popular tourist areas, such as Shibuya, the Imperial Palace, Asakusa, and the port city of Yokohama.

Tokyo Tech Summer Program

summer.program@jim.titech.ac.jp

International Student Exchange Division, International Affairs Department
Tokyo Institute of Technology 2-12-1, Ookayama, Meguro-ku, Tokyo 152-8550 Japan
Tokyo Institute of Technology will offer two types of Summer Programs in 2016. Take part in one of these and become a front-runner in the fields of science and engineering.

**Summer Program Overview**

**A Course-oriented Program 4-week**
(July 4 - July 29, 2016)

Students who participate in the Course-oriented Program will be offered 4-week intensive courses featuring “Environment & Energy”, “Engineering Design” and Japanese language. The courses consist of lecture, group work, site visit and more.

**B Research-oriented Program 10-week / 6-week**
(June 6 / July 4 - August 10, 2016)

Research-oriented Program allows students to conduct individual summer research project under faculty supervision. Students can also take courses offered for Summer Program with the permission of their academic supervisors.

**Courses in July 2016 (subject to change)**
- Environment & Energy — 3 Credits
- Engineering Design — 2 Credits
- Japanese Language — 1 - 2 Credits
- Communicating Science and Engineering in Society — 1 Credit

**Credit Transfer**
Tokyo Tech can issue an academic record and a certificate of participation.

**Culture Programs**
Students can participate in a number of cultural/social activities such as the tea ceremony and field trips, as well as participate in club activities with Tokyo Tech students.

**Program Expenses & Scholarship**

**Program Fee:** (Including accommodation fee and activity fee) (tentative)

<table>
<thead>
<tr>
<th>Duration</th>
<th>Fee (JPY)</th>
</tr>
</thead>
<tbody>
<tr>
<td>4-week</td>
<td>180,000</td>
</tr>
<tr>
<td>6-week</td>
<td>210,000</td>
</tr>
<tr>
<td>10-week</td>
<td>290,000</td>
</tr>
</tbody>
</table>

+1 USD = 120 JPY (as of Oct, 2015)

**Tuition Fee:** Waived.

**Air Ticket and local transportation:** At participants’ expense.

**Accommodation:** Off-campus accommodation will be reserved by Tokyo Tech.

**Scholarship:** Participants may have an opportunity to receive a JASSO scholarship.

---

**Qualification**

**Eligible Students:**

- **Course-oriented Program**
  Outstanding undergraduate students, majoring in STEM fields, who have completed at least their first year at their home university.

- **Research-oriented Program**
  Outstanding undergraduate students, majoring in STEM fields, who have completed at least their second year and graduate students in science or engineering programs.

**Eligible Universities:**

- **United States:**
  Brown University / California Institute of Technology / Carnegie Mellon University / Georgia Institute of Technology / Massachusetts Institute of Technology / Rice University / University of California, Berkeley / University of California, Santa Barbara / University of Minnesota-Twin Cities / University of Washington-Seattle / University of Wisconsin-Madison

- **Europe:**
  TU Wien / Paris Tech / UPMC / RWTH Aachen University / TU München / TU Delft / KTH Royal Institute of Technology / Stockholm University / ETH Zurich / Imperial College London / University of York

- **Asia/Oceania:**
  The Hong Kong University of Science and Technology / Tsinghua University / KAIST / Nanyang Technological University / National University of Singapore / The University of Melbourne

**Number of Participants**
Up to 30 students will be selected to participate.

**Application Information**

**Application Deadline:** Late January 2016 (TBA)

Please refer to the following website for the application details. (open in November)
